PROFILE SUMMARY

My foremost objective at this pivotal stage is to pursue continuous learning and stay abreast of the latest advancements in the dynamic realm of technology. As a professional in a highly technical field, I understand the significance of staying updated with the rapid changes in technology. Embracing and mastering new technologies is not only a personal commitment but a responsibility that I uphold to contribute effectively to my organization's growth.

WORK EXPERIENCE

Front-End Developer

Jul 2022-Oct 2022

Byteplus I Lahore

During my tenure at Byteplus, I excelled as a Front-End Developer, contributing my expertise to create visually appealing and highly functional user interfaces. With a keen eye for design and a passion for user experience, I collaborated closely with cross-functional teams to turn wireframes and mockups into responsive and interactive web applications.
